May Edition

A word from the CEO

April has been another busy month for the Club as we continue to trade strongly. A big thank you to everyone that came and celebrated Anzac Day at our Venues. We had a record day of trade in all areas. A big thank you to all the staff for their hard work to make it happen and all our Members and Guests for helping to create a fun and safe atmosphere. As the Club continues to grow, we have some further plans in place which will see the development of some of our Charlestown spaces, including a new area on the bistro deck, the upgrading of the old greens workshop area and a new revamped main bar. Hopefully concept plans will be on display soon to show all members. That's all for this month and thank you for your continued support.
